

design fellowship CIRCA STUDIOS

Be part of our collaborative team and experience the rigors and rewards of a creative studio through the Circa Fellowship, an intensive six-month program established to grow designers.

This is a commitment that requires a desire for excellence, an intentional motivation, a teachable spirit and an appetite for Vietnamese food.

Applicants must be proficient in Adobe Creative Suite and/or complete required online courses before beginning the opportunity. This is a temporary placement, while there is no promise of open positions, we encourage every fellow to make themselves indispensable so that we will have no choice but to keep you (or to find a place for you).

ABOUT CIRCA

Circa is a graphic design and branding studio. We help good ideas grow. Great design doesn't happen in a vacuum. To create not only a first impression but a lasting impact requires research and context, collaboration and revision, big-picture and tiny-detail thinking.

Everything we do is driven by a strategic design process. We work in an intimate collaborative setting in our studios in Nashville, Tennessee and Kalamazoo, Michigan. Our clients are everyone from Fortune 100 companies to start-ups in Haiti. The one thing that aligns them: the drive to do good and create lasting impact.

The Circa logo is a stylized, handwritten-style wordmark in black ink.
